- e. If KUBARK renews Conte's contract for an added 13 weeks, we could consider; (1) a decrease in payments being made to Conte and his steff or, (2) more direct KURARK control of Conte to assure closer conformity to KURACK/C.R.C. objectives.
- 5. Hos would appreciate the station's views on this subject on or before I March. If station sees so objective, we would appreciate Passavoy's discussing the problem with AMBUD-1, reminding him that this arrangement was made before Conte became Prop Director.
